NOTICE TO AUTHORS

To those of you who have already acknowledged this note by sending reprints, thank you! The notice is repeated below as a reminder of the continuing need for your cooperation in keeping **dsh ABSTRACTS** the most complete resource for professional literature in our fields.

While every effort is made to obtain complete coverage of all publications pertinent to deafness, speech and hearing, some may be overlooked if printed in sources not regularly searched. You are, therefore, invited to submit directly reprints of articles and notices of publication. Address such contributions to:
